### What is the difference between "area", "zone", and "site"?

An excellent question, which I can't do justice to but will comment: an area can be any size, a zone is a 'very special' area (it's a less common word too) and a site is also a synonym of location, so more ...

### What is "the flesh under the cheeks & chin, before the neck" called?

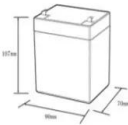

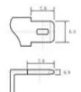

As excessive skin in this area is sometimes a sign of being overweight, having jowls is not usually desirable, but the latter expression "double-chin" is considered particularly insulting.
