Detox foot pads: Do they really work?

Do detox foot pads really work? No trustworthy scientific evidence shows that detox foot pads work. Most often, these products are stuck on the bottom of the feet and left there overnight.

...

Treating COVID-19 at home: Care tips for you and others

COVID-19 can sometimes be treated at home. Understand emergency symptoms to watch for, how to protect others if you're ill, how to protect yourself while caring for a sick loved one and ...

Probiotics and prebiotics: What you should know

Probiotics and prebiotics are two parts of food that may support gut health. Probiotics are specific living microorganisms, most often bacteria or yeast that help the body digest food or help ...
