Ohio river question , Ohio Game Fishing

There are several large rock piles about 30 yards off this particular section of greenup pool shoreline. You can see them above waterline during low water levels and they are not on your ...

First off/ first of all

"First off" is a bit more informal than "first of all," although technically they mean the same thing (at least in AE). "First off" also sounds a little more like a BE usage than an AE usage.
