Sensible heat storage latent heat storage thermochemical storage

Sensible

Acting with or exhibiting good judgment; reasonable: a sensible person; a sensible choice. b. Not ornate or impractical: a sensible hairdo; sensible shoes. 2. Having a perception of something; cognizant: "I ...

Sensible

Sensible means practical and reasonable. If you're wearing sensible shoes, they're sturdy, comfortable, good for walking, and your feet don't hurt. If you're a sensible person, you're level-headed and calm, ...
