## The reason why capacitors can store electricity

---

### **REASON Definition & Meaning , Dictionary**

A reason is an explanation of a situation or circumstance which made certain results seem possible or appropriate: The reason for the robbery was the victim's display of his money.

### **Reason**

Reasoning involves using more-or-less rational processes of thinking and cognition to extrapolate from one's existing knowledge to generate new knowledge, and involves the use of one's intellect. The ...
