

Three-phase high power solar container power supply

Three-phase high power solar container power supply

Which is right -- "all the three" or "all three" in a situation of

All three cars already implies that you are referring to specific cars; you don't need the article to clarify that these aren't just any cars. I would say that your best options are all three cars, three of the cars, ...

"of the three" vs "of all three"

Both are correct. You would usually use "A is the oldest of the three" if you were talking about three people from a larger group e.g. three girls who have two brothers, while you would use ...
