New products launched for the North American market include modular utility-scale PV inverter, 6.9 MWh BESS in a 20-foot container, and cutting-edge technology extending to C&I uses. LAS VEGAS, Sept. 10, 2025 /PRNewswire/ -- Sungrow, the global leading PV inverter and energy storage system. Unlike other inverter companies that evolved from well-established power electronics manufacturers, Sungrow was founded in 1997 by Cao Renxian, a Hefei University of Technology professor who wanted to improve the electricity supply in rural western China using renewable energy. This motivation to. Sungrow PV solar inverters deliver exceptional efficiency exceeding 99% in a range from 2 kW to 8.8 MW, making them ideal for converting solar energy on any scale required. Sungrow's cutting-edge energy storage solutions, such as the liquid-cooled PowerTitan and PowerStack, empower stakeholders to.
